Dear Ms. Harrelson:

SUBJECT: Reciprocal Certification

The information supplied to this office by the State of California and your laboratory has been reviewed. Based on the California certification of Vista Analytical Laboratory, Inc. the Michigan Department of Environmental Quality will accept the results generated by your facility for compliance monitoring under the Safe Drinking Water Act, 1976 PA 399, as amended. The results that will be accepted are for the following contaminants and certification levels:

Organic Chemistry

Full Certification:

2,3,7,8-TCDD (Dioxin) (via U.S. EPA 1613B)

Our acceptance of results and certification of Vista Analytical Laboratory, Inc. is contingent on your continued certification by the state of California. Additionally, your certification is contingent on the submission of acceptable performance evaluation sample results from a State approved supplier on a running 12-month basis throughout the certification period and the results of any on-site inspections conducted by the State of California Department of Health Services or its agents.

Our certification of your facility will expire on January 31, 2009.

If you have questions regarding this information, please contact me, at 517-335-8812.

Sincerely,

George L. Krisztian
