Ms. Rose Harrelson  
Quality Assurance Manager  
Vista Analytical Laboratory Inc.  
1104 Windfield Way  
El Dorado Hills, CA 95762

Dear Ms. Harrelson,

This correspondence addresses the status of Vista Analytical Laboratory Inc. of El Dorado Hills, California in the Navy Environmental Restoration (ER) Quality Assurance (QA) Program as administered by the Naval Facilities Engineering Service Center (NFESC).

Your laboratory is accepted to perform sample analysis for the methods listed in Table 1. The period of acceptance expires February 23, 2008. This acceptance does not guarantee the delivery of any analytical samples. Acceptance is facility specific and can not be transferred to an affiliated or subcontract laboratory.

The Navy's assessment included a review of the laboratory's QA manual, selected standard operating procedures (SOPs) and SOP master list, list of major analytical instrumentation, performance test (PT) results and an onsite audit documentation<sup>1</sup>.

The Navy reserves the right to conduct additional laboratory assessments or to suspend or revoke acceptance status for any or all of the listed parameters if deemed necessary.
